### USAMG Management Team Wins Top Awards

The same host committee and event management team that is bringing you the 2016 USA Masters Games was recognized this month with the sport destination industry's highest awards. Earlier this year your USAMG Local Organizing Committee also served as the LOC of the 2015 Prudential U.S. Figure Skating Championships were recognized with two SportsTravel Awards, considered the Oscars of the Sports Tourism Industry: Best Multi-Sport/Multi-Discipline Event, and the highest award of all, Event of the Year. To capture Event of the Year, the Championships beat out the College Football Playoff, Women's World Cup Soccer, and the Super Bowl!

"We're going to bring that same athlete-centered focus and attention to detail to the 2016 USA Masters Games that led to the SportsTravel Awards for Figure Skating," said Hill Carrow, CEO of the USA Masters Games. "If all our participants are delighted with their Games experience, then that will ensure another award-winning effort by our host committee."

## Masters Events in November

Our staff was on the road this month as usual, with Faryn Roy injecting a 2016 USA Masters Games presence and excitement into the Men's Senior Baseball League (MSBL) Fall Classic, held November 2nd - 14th in Clearwater, FL. The event is staged annually in Florida by Men's Senior Baseball and this year's tournament had 100 teams participating, representing a total of more than 1,000 athletes, who competed in seven age groups. Tournament venues included the Carpenter Complex, Bright House Networks Field, the Englebert Complex, among others across the region.

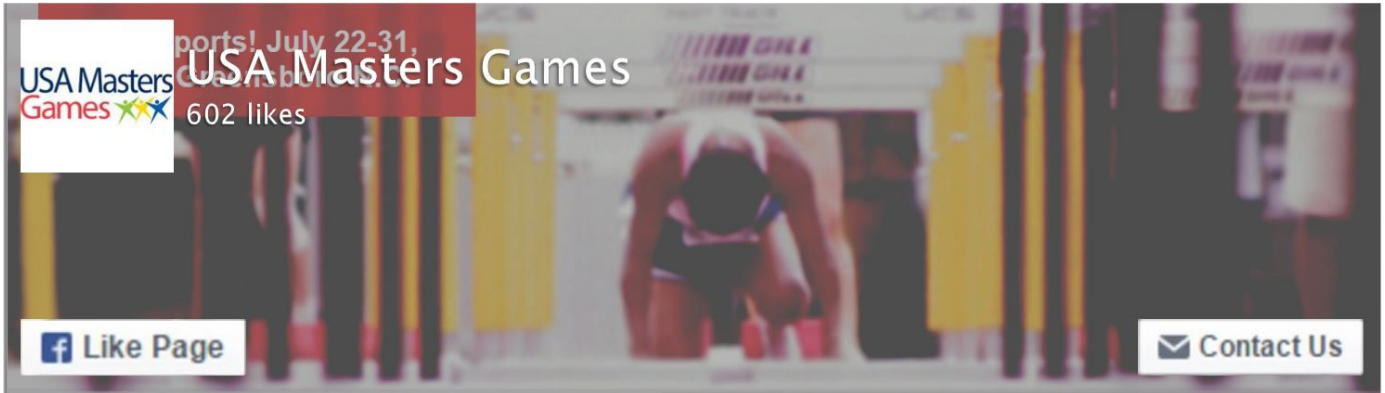

Meanwhile Adam Brogden and Colin Perry of our USAMG team were in Pinehurst for the US Tennis Association Senior National Clay Court Championships. This was the second year this event has been held in Pinehurst, at the Pinehurst Country Club, where the local host committee is headed by Matt Downing, Club Pro at Pinehurst Resort. Downing promised to help get the word out to his Senior Championships participants and to encourage them to participate in the inaugural USA Masters Games.

## Happy Holidays to All!
