

MARIBYRNONG SPORTS ACADEMY

Notification of Absence for Sporting Commitments

With our strong and stated philosophy of assisting our student athletes to balance their academic and sporting achievements, it is a policy and requirement of Maribyrnong College and the Sports Academy that all absences are accounted for. It is your responsibility to notify the relevant Leading Teacher of the Sports Academy and then the Year Level Coordinator with this form.

Mr Fleming: Years 7/8
Mr Clark: Years 9/10
Mr Holmes: Years 11/12.

Please advise key staff about the times and dates that you will be absent from school due to extended sporting commitments by:

1. Completing the relevant details below including **parent or carer signature(s)**
2. Asking **Sports Academy staff (listed above)** to sign this form
3. Asking **Year Level Coordinator** to sign this form
4. Returning the form to Sports Academy leading teacher **one week** before your absence if you want it considered as an "approved" absence. Note: this does automatically guarantee that it will be recorded as "approved".

It is also your responsibility to find out what school work you have missed during the absence and to complete all set class work on your return. You should get your teachers to fill work to be completed and check Compass regularly. If you are absent because of injury or illness, simply call the College in the usual manner.

Once your form is returned to the Sports Academy Leading Teacher, we will provide copies to the relevant Attendance officer for your year level.

Student Name: _____ Home Group: _____ Sport: _____

Dates absent: _____ Venue/Location: _____
